Lawn Care Teams Need Volunteers

By Les King

For the past two years we have been fortunate to have four teams comprised of four volunteers each (including ladies) to mow and trim our church lawn. We are in need of a few more folks to help with the care of the lawn. We have a riding tractor, two hand mowers and a weed trimmer to keep the lawn trimmed and mowed. Each team takes one week per month to mow and it usually takes about 3 hours for each team to complete the task. Each team can decide on their own if they want to mow during the week or on Saturday. Please contact Les King at 281-361-6613 or lking@dow.com if you have any questions or would be willing to help with our church lawn.
