New study *One Thousand Gifts* by Ann Voskamp, Sept. 8

In *One Thousand Gifts*, Ann invites you to embrace everyday blessings and embark on the transformative spiritual discipline of chronicling God's gifts. It's only in this expressing of gratitude for the life we already have, we discover the life we've always wanted--a life we can take, give thanks for,

and break for others. We come to feel and know the impossible right down in our bones: we are wildly loved--by God. Let Ann's beautiful, heart-aching stories of the everyday give you a way of seeing that opens your eyes to ordinary amazing grace, a way of being present to God that makes you deeply happy, and a way of living that is finally fully alive. Come live the best dare of all!
