Welcome to Friday Night Hangouts! Here's our Covenant for an awesome community together:

- Food and drink only in kitchen or around tables in fellowship hall
- Stay downstairs only; also, avoid nursery or any closed rooms.
- Doors leading to fellowship hall & kitchen from both youth rooms will remain open.
- Once you are in, you are in. Do not leave without checking out with an adult. Once you leave, you may not come back inside. If you leave at a time different from what is on your form, we will need to communicate with parent/guardian.
- Cover all undergarments completely and all skin between shoulders and thighs; keep logos positive, legal, and clean
- No knives (turn in at front), lighters (turn in at front), tobacco, alcohol, illegal or controlled substances of any sort, or weapons of any kind.
- We are not accountable for your stuff (cell phones, etc.). If you are worried about losing anything, please leave it at home or in your car.
- If you bring a game from home, it must be rated "E" for everyone. Otherwise, it will likely not be approved to come in.
- All outside videos must be approved at check-in by adults in charge.
- If you have a cell phone or electronic gaming device, it must be used for appropriate games/use only.
- No slamming other people: physically (no sparring/ wrestling) or verbally (avoid hurtful or offensive language)
- Respect others'—as people, and their stuff.
- Recognize that adults in charge are the final say.
- No purpling—Guys are blue & Girls are pink—we don't want to see any purple—leave room for Jesus. (Adults are not here to be dating chaperones.)
- No riding of bicycles, scooters, rip-sticks or skateboards indoors.
- No kicking balls indoors or bouncing little balls to the ceiling. No throwing balls on walls or ceilings.—We want to protect our ceiling tiles and our people.
- If you make a mess, clean it up, please.
- Laugh, have fun, enjoy new & old friends, practice lifting others up, bring out the best in one another.

By signing this form, I acknowledge and agree to abide by the covenant above. Not abiding by this covenant may result in contacting parents and the expectation that I will leave the event immediately.
