Reduce Our Loan

We can do it!

Embracing Kingwood

A Mortgage Debt Reduction Campaign

Embracing Kingwood is a financial campaign seeking to significantly reduce or payoff our mortgage. This congregation-wide campaign is launching today, May 16th and will end May 30th. This campaign is in addition to our yearly stewardship campaign, which is the basis for our general operating budget. We do not want to distract or take away from our daily operations.

2021 Budget Facts

- 13% (\$60,500) of our annual budget is designated for the mortgage.
- 10 Years remain on our mortgage term with a current balance of \$412,000.
- Every \$100,000 reduction saves the church \$1,000/month.

Your Giving Makes These Items Possible

- Frees the church from the current struggles of indebtedness.
- Remove the financial shackles of today and free our church to embrace the community in new and exciting ways for generations to come.
- Provide the financial freedom to dream and plan for the future.
- Allow the church to hire needed staff (associate youth pastor).
- Increase our outreach commitments to the denomination and community.

Thank you for your continued support of Kingwood Christian Church.
